Re: Inspection Waiver -

I/we advise that I/we are not able to attend the inspection of the above mentioned property. I/we acknowledge that despite AM Property Central's advice that I/we should inspect the premises, I/we have decided to Waiver this right and go ahead with the Application without viewing the property.

I/we have been informed that should I/we sign a lease and pay rent and Bond, the lease will stand as is, and I/we revoke my/our right to withdraw from the lease under these grounds.

Kind regards,
